Jefferson County Fair: No Report

OLD BUSINESS:

Keyser Area Meeting: The Kitchen Box from Jefferson County brought \$50. The auction totaled \$300 for the Area Council. Seven people from our county attended the meeting. Jefferson County will be hosting the Area Meeting in 2010. Judy, Wallis Anne, and Joann have agreed to work with a committee for this. Many more are needed since this is quite an undertaking. We will have a committee meeting June 15th at 11 a.m. to start plans for this big event. **We need to have a representative from each club. We need ideas for programs, crafts, location, date and a theme.**

Pink Luncheon: The Pink Luncheon is slated for October 11th at the Inn of Charles Town with the race track catering. Mark your calendars for this date.

Spring Meeting: Seventeen people attended this meeting which had three excellent speakers. Vintage aprons were displayed as well as attendees wearing aprons. Several aprons were sold. We will be selling more at the fair to raise funds for the council.

Nomination Committee: Wallis Anne Magaha, Clarissa Stemple, and Joann Viands were appointed to a nominating committee for President and Vice-President for 2010-2011.

Energy Express: Found objects can be taken to Ranson Elementary School any school day from 8:30 a.m. – 3p.m. Call the school before going. They also would like to have readers. Contact Jane Tabb (304-728-7413 x7) to arrange this.

NEW BUSINESS:

Board Meeting: Wallis Anne attended the Board Meeting at Jackson's Mill, May 13th and 14th. Plans were in the making for the fall conference.

June Council: We will be making plans at the June Council Meeting for the Fair Booth. Bring your ideas to make this an interesting booth. Some things will be apron sales, pink luncheon tickets, bake sale and poster size pictures.

Lola Bane needs help with the youth entries and displays. If you can help anytime please contact Lola (304-725-5209). This is quite a job and plenty of help is needed.
